

Caution when using satellite navigation devices...

Please be aware that some devices may suggest using very narrow lanes around Sparsholt Village, we recommend avoiding these routes and using Stockbridge Road (B3049) to access the campus. Please reference the Campus Map for further details regarding the locations of our venues or contact The Wessex Conference Centre team for more information.

Please note: The Wessex Conference Centre is the collective term for a number of venues on the Sparsholt College campus, and does not refer to one venue in particular. When coming on to campus please reference the campus signs for directions to your venue.
